

## PharmaTermInology 29

Bentornati a **PharmaTermInology**, la newsletter mensile di P.T.I. - Pharmaceutical Training International – della Divisione Training di Istituto Internazionale di Ricerca.

Dopo una pausa più lunga del solito rieccoci pronti per continuare il nostro glossario farmaceutico giunto ormai alla comunicazione numero 29 e al termine numero 45.

Il termine che vi presentiamo questo mese è:

### CIOMS

#### **CIOMS (The Council for International Organisations of Medical Sciences)**

**CIOMS** is an international, non-governmental, non-profit organisation established jointly by WHO and UNESCO in 1949.

**CIOMS** represents a substantial proportion of the biomedical scientific community.

The membership of **CIOMS** in 2003 includes 48 international member organisations, representing many of the biomedical disciplines, and 18 national members mainly representing national academies of sciences and medical research councils.

The main aim of **CIOMS** is to facilitate and promote international activities in the field of biomedical sciences, especially when the participation of several international associations and national institutions is deemed necessary.
