

PharmaTermInology 39

Rieccoci con **PharmaTermInology**, la newsletter mensile di P.T.I. - Pharmaceutical Training International – della Divisione Training di Istituto Internazionale di Ricerca.

Eccoci arrivati al 2° appuntamento del 2009 che corrisponde al **numero 39** della nostra newsletter che questo mese riguarda:

MRFG

MRFG The Mutual Recognition Facilitation Group

The Mutual Recognition Facilitation Group (MRFG) was established by the Member states in March 1995 and held its first meeting in June of that year.

The Member states recognised that there needed to be a group that could coordinate and facilitate the operation of the decentralised mutual recognition procedure. The Group meets monthly at the same time as the CPMP and comprises senior representatives from each Member state. The country that holds the Presidency of the European Union chairs the Group.
